E

Exploded view of the bottom pan assembly. The components are labeled as follows:

- 010**: A small cylindrical pin or fastener.
- 011**: A larger cylindrical component, possibly a gasket or seal.
- 300**: A large, irregularly shaped gasket or seal with a textured surface.
- 379**: A small circular fastener or screw.
- 765**: The main bottom pan component, a large, irregularly shaped metal tray.
- 839**: A small rectangular component, possibly a gasket or seal.

The assembly is shown in an exploded view, with the components arranged to show their relative positions and how they fit together. The bottom pan (765) is the central component, with the gasket (300) and other parts (010, 011, 379, 839) positioned around it to illustrate the assembly process.
